

Poster Presentation Guideline

■ Presentation Style

Poster presenters are required to stay near their own poster during the allocated core time (shown below).

■ Attachment and Removal Time

- Posters must be attached by yourself within the allocated time, please check your poster number at the website.

<https://em-nano2025.jp/program/>

- Push pins will be provided on site.
- Please note that any posters remaining after the removal time will be taken down and discarded by the secretariat.

■ Poster Format

- The poster panel is **W900mm x H1800mm**, please prepare a poster that will fit the panel.
